Class of '86 And More

Tiger of the Year

Won't you come see about me

I'll be alone dancing you know it

Tell me your troubles and doubts

Giving everything inside and out

And love's strange, so reel in the power

Think of the tender things, that we were working on

A slow change may pull us apart

When the light gets into your heart

Will you recognize me

Call my name or walk on by

Will you walk away, or will you call my name?

Man of the Year Mr. Richard Parsons

Mr. Richard Parsons has worked in the Taunton School System since 1969. He began as the Foreign Language Coordinator and has remained in that position ever since. Always urging his students to give the "extra pound of flesh," Mr. Parsons strives to expose his pupils to the broadest range of knowledge the time of his class allows. Not only does he teach the language, but he introduces us to the people and the places. The class of 1986 wishes to thank Mr. Parsons for guiding us through our four years at Taunton High School.

Don't you forget about me

FACULTY

Members of the 1986 Graduating Class:

A short time ago, in September of 1982, you, the present members of the senior class, entered the doors of Taunton High School. Now, in a few short months, you will receive your diplomas and go out into the world.

For some, graduation will mean continued study, and for others, the start of employment.

Whatever you have decided to do in the future, I hope that Taunton High School has aided you in making your decision for the future and that your life ahead will be rewarding.

You have my sincere best wishes.

Mr. Peter P. George Headmaster, Taunton High School

I take this day one rock at a time.

Laughing back at the white caps that
think they can tease me into the tide.

Lapping at my toes like bright blue
mischief makers.

Whoops! You almost got me ocean,
But I'm in charge here.

It's my beach.

Attn: Taunton High School Class of 1986

Dear Graduates:

The directors, officers and employees of Delta Corporation extend their sincerest congratulations and best wishes to the Taunton High School Class of '86. Your graduation represents the culmination of many years of hard work and is an accomplishment in which you should take great pride.

The legacy the Class of '86 leaves behind is substantial. You have consistently challenged, in a very positive way, teachers and parents alike. Future classes will be measured against the high standards you have established.

Should you elect to continue your education or enter the business community directly, the lessons you have learned at Taunton High School will stand you in good stead. It is significant to note that much of the education you received was outside the realm of academics. Four years ago you entered Taunton High School as young adults. Today you are leaving as men and women ready to pursue your life and career ambitions. A remarkable transformation in such a short time.

Again, congratulations from all of us at Delta and our best wishes for a happy, healthy and productive future.

Very truly yours,

Paul E. LePore - President

EDITOR'S MESSAGE

We have completed four of the most important years of our lives. While at Taunton High School, friendships were formed, values were learned, decisions were made, and ideas became reality. Now we must venture forth into the world in the hopes of accomplishing our goals.

I hope that this yearbook will help to recall this time in your lives. When you look at it in the years to come, remember the happiness as well as the sadness of these years.

I wish everyone the best of luck!

Kimberly Smith
